At Communities Foundation of Texas, our vision is thriving communities for all. Our mission is to improve the lives of all people in our community by investing in their health, wealth, living, and learning. We accomplish this by growing community giving, expanding community impact, and advancing community equity.
LETTER FROM OUR PRESIDENT

Our resolve to continue building thriving communities for all in partnership with others is deeper than ever before.

While the past few years have been a roller coaster of opportunity and challenges, we have learned a lot—individually and collectively as a community. This period has reminded us of the importance of relationships and aligning with community stakeholders toward shared goals and helping others.

What has guided and accelerated our ability to learn, adapt, and respond at CFT is working together and partnering with businesses, nonprofits, community leaders, donors, and other philanthropic organizations. Together we have been truly impactful!

Each year, CFT hosts and collaborates on many events and partnership opportunities. These events and opportunities feature rich and timely content and conversation relevant to our business partners, donors, community leaders, and nonprofits. CFT’s 2023 Engagement Guide highlights these opportunities, and I hope you’ll join us in our efforts.

CFT’s Engagement Guide offers stakeholders and community leaders the opportunity to partner with us through sponsorship or support of an event, volunteer opportunity, or program in 2023. It also provides you with a chance to identify sponsorship opportunities that align with your values, connecting you to the audiences that matter most to you.

We hope the information on the following pages will be useful as you plan for the year ahead. We look forward to discussing how the benefits of sponsorship can help further your objectives and goals in 2023, while making a difference in our community.

We are thrilled to see so many of you back in our building and out in the community, working together to make an impact across our city. Our resolve to continue building thriving communities for all in partnership with others is deeper than ever before. We hope to find opportunities for us to partner together in 2023 and beyond, and look forward to connecting in person and learning how we can support what matters most to you.

PRESIDENT AND CEO
COMMUNITIES FOUNDATION OF TEXAS

“CFT’s 2023 Engagement Guide highlights a variety of impactful partnership opportunities that may align with your values and priorities. This guide offers donors, businesses, and community leaders the opportunity to partner with us through sponsorship or support of an event, volunteer opportunity, or program.”
At Communities Foundation of Texas, our grantmaking and programs are key to our vision of building thriving communities. We believe that a thriving community is one in which all people feel cared for, invested in, nourished, and valued, and have an equitable opportunity to contribute to the well-being and growth of themselves, their families, and their communities. We take a 360° approach to supporting the needs of individuals and their communities through four intersectional pillars of thriving: health, wealth, living, and learning. At the heart, what we’re striving to achieve through attention to these areas is equity, connectedness, and belonging for all.

Our mission is to improve the lives of all people in our community by investing in their health, wealth, living, and learning. We accomplish this by growing community giving, expanding community impact, and advancing community equity.

We work to meet our mission by:

• Providing giving opportunities through charitable and legacy giving, planning, and consulting for individuals, families, nonprofits, and businesses
• Grantmaking and engaging our community around priority issues
• Increasing academic achievement and educational equity for all students in Texas, especially those who are African American, Latino, and economically disadvantaged
• Developing and sharing knowledge and expertise about community needs and resources

Our equity statement:
Communities Foundation of Texas is committed to advancing equity as one of our three strategic priorities to fulfill our mission and achieve our vision. As your community foundation, our vision is of a community where every person has the opportunity to thrive. With a mission to improve the lives of all people in our community, we recognize that there are groups that have historically faced and continue to experience discrimination, injustice, and unequal access to basic resources, community spaces, and economic opportunities.

CFT believes that all community members:
• Should feel welcome, safe, and accepted
• Should be treated with respect and dignity
• Should have equitable access to opportunities to improve their lives and the lives of their families

Our north star:
At Communities Foundation of Texas, our vision is thriving communities for all.

We are dedicated to both working internally with our staff and learning and leading externally with partners across our community to create thriving communities for all.

“Through our business-advised fund at CFT, we established the Heart of Giving Community Grant, a unique employee engagement program. Working with our partners at CFT, employees identify a meaningful theme for each year’s grant. The theme for our fifth annual grant was innovative hunger relief programs focused on youth and education. Our team carefully reviewed and discussed nonprofit proposals, then invited three nonprofits into our office to pitch a project with volunteer opportunities. Everyone then voted on how to allocate the grant awards. Our team loves the process and is grateful for the opportunity to give back to our community.”

- CFT4B member and business-advised fund holder, NETSCOUT

Communities Foundation of Texas is honored to engage our community in a celebration of volunteer service for CFT’s second annual National Volunteer Month. Businesses, community leaders, individuals, families, and nonprofits are invited to participate in the movement to iDoTheGood.

In 2022, CFT for Business partnered with our member companies and FWD > DFW to engage 1,800+ volunteers to impact our community with 8,900 volunteer hours during the month of April. In addition to various volunteer opportunities throughout the month, CFT for Business will host key events including:

- Nonprofit fair and networking reception to kick off National Volunteer Month
- Weekly service projects
- Learning opportunities
- Networking events

Our vision is that all Texas students, especially African American, Latino, and economically disadvantaged students, earn a college degree or credential that leads to a living wage and creates a thriving community.

Partnering with Educate Texas is an investment in students, teachers, and leaders helping to ensure our state leads the way in education, innovation, and prosperity.

Each week’s nonprofit and volunteer activities will align with one of CFT’s FOUR INTERSECTIONAL PILLARS OF THRIVING:

SAVE THE DATE: APRIL 2023

Educate Texas, an initiative of Communities Foundation of Texas, has built partnerships for nearly 20 years with school districts, higher education institutions, businesses, community and civic organizations, state agencies, policymakers, and philanthropic partners to implement data-driven strategies to not only improve the quality of teaching in those schools, but also support students on a path to success in the workforce. Educate Texas’ 2025 Strategic Plan challenges us to think bigger about what we can accomplish for students and teachers.

WE STRIVE TOWARD TWO ESSENTIAL GOALS:

- Add 85,000 new higher education degrees and credentials in Texas by 2025
- Create sustainable systems change by helping schools better attract, prepare, develop, and retain more high-quality and diverse teachers to improve our state’s effective teaching workforce

email us today at business@cftexas.org to learn more about how you or your company can get involved with National Volunteer Month!
Communities Foundation of Texas’ NTX Giving Day is the largest online giving event in the nation. In 14 years, this annual giving extravaganza has grown to ignite a broad culture of community-wide giving that inspires individuals, companies, and brands to support the incredible work that helps this region thrive. With an emphasis on empowering individuals right where they are, NTX Giving Day welcomes our generous supporters to act on their personal passions to do something that matters. The generosity from our region has pumped funding, resources, and people—support to the organizations that are making our neighborhoods safe, healthy, growing, and thriving places to be.

There are a variety of ways that you or your company can engage with CFT in this groundswell of giving throughout the year, each offering opportunities for better alignment in your personal or corporate giving.

For companies, partnering with us on NTX Giving Day offers opportunities for brand exposure, employee engagement, and philanthropic support from Communities Foundation of Texas.

NTX Giving Day empowers individuals and businesses to:

- Give efficiently and effectively
- Make a difference in the North Texas community
- Support your favorite issue/cause areas
- Engage employees, customers, and vendors
- Increase brand visibility
- Reach 3,300+ nonprofits and 100,000+ donors

The easiest way to support NTX Giving Day is through a financial sponsorship. Make a tax-deductible donation of any amount directly to Communities Foundation of Texas to be a part of powering one of the most effective public and social forms of philanthropy in the country.

Kaleidoscope Park Foundation is a dynamic new public-private partnership launched in early 2022 among Communities Foundation of Texas, the City of Frisco, and the HALL Group. This partnership will create Kaleidoscope Park—a new public arts and culture space for North Texas, located in Frisco.

Construction has begun on North Texas’ newest arts and culture destination—Kaleidoscope Park—previously known as Frisco Community Performance Park. The new Park will open to the public in late 2023.

This iconic park will be home to year-round immersive and diverse free public programming, including films, concerts, fitness and well-being activities, and unique music and dance festivals. The Park’s design will feature unique and universally accessible amenities such as monumental works of public art, gardens, and a children’s play area, dog parks, performance lawns, technology terraces, and shaded promenades and plazas.

We hope you’ll join our mission to thoughtfully engage the diverse and rapidly growing communities of North Texas through free public arts and culture programming that is genuine, inclusive, and accessible.

Communities Foundation of Texas is thrilled to host a Professional Seminar in partnership with Southern Methodist University on Tuesday, May 9, 2023, at Communities Foundation of Texas!

CFT’s Professional Seminar offers continuing education credits, and sponsors will be prominently recognized in the seminar promotional materials, as well as CFT’s website and social media outreach.

A sponsor reception will take place the evening before the seminar, on May 8, 2023.

WAYS TO GIVE:
You can give cash and credit card gifts; securities, including marketable stocks, bonds, mutual fund shares, and closely held and restricted stock; life insurance; retirement plan assets; business partnerships and interests; real estate and property; and oil, gas, and mineral rights.

MAKE AN IMPACT:
CFT’s fundraising goal is $325,000, which is the value of Pearl’s initial gift to CFT. We invite you to be a part of supporting this effort as we strive to advance equity in our community, together.

WAYS TO GIVE:

Pearl C. Anderson’s completed portrait was announced and showcased at CFT’s Together We Dine event in March 2022

Pearl’s story resonates deeply because it points to our shared human experience; we can be both the one in need of help and the one in a position to help.

Every day, Pearl would walk by a plaque that credited the Rosenwald Fund, a foundation, with establishing her school. Pearl vowed to “pay it forward” when she had the opportunity. In 1955, she established the Pearl C. Anderson Fund at CFT, which continues to make grants in her name to this day.

To advance community equity and honor our history and our first six-figure gift, we’re proud to announce the launch of the #IAMPEARL Fund at CFT.

CFT’s #IAMPEARL Fund is an employee-sponsored fund that will help direct charitable dollars to advance equity in the Black community in four focus areas:

- Education
- Business Development
- Food Security
- Financial Literacy

To advance community equity and honor our history and our first six-figure gift, we’re proud to announce the launch of the #IAMPEARL Fund at CFT.

Communities Foundation of Texas’ first six-figure gift came from an African American woman named Pearl C. Anderson. Pearl grew up in rural Louisiana during the days of racial segregation and was prohibited from going to school until the age of 12, when a school for Black children was finally built a few miles from her home.

Pearl had the opportunity to get an education through the generosity of philanthropist Julius Rosenwald, who built more than 5,000 schools across the South for Black children in the early 1900s.
