In times like these, simple acts of kindness can remind people who are struggling that they’re not alone. The Dallas community is stepping up to help each other. Join us in sharing 1,000 acts of kindness in one week! When our community moderators see and confirm an act of kindness you share on social media, $500 in cash assistance will be provided directly to a family in Dallas impacted by the COVID-19 pandemic.

Post your acts of kindness on social media, tag Stand Together Foundation in your post and use #GiveTogetherNowDallas. Share and encourage others to join you. That’s it! Once verified by our community moderators, an eligible family will receive $500, totaling up to 5,000 acts of kindness. Don’t use social media? You can submit an act of kindness at GiveTogetherNow.org/Dallas.

An act of kindness can be something you do or experience. Here are a few examples:
- “I ordered pizza for Dallas first responders.”
- “I am a first responder in Plano. Someone ordered pizza for me.”
- “I was at the hospital in Fort Worth. I saw someone deliver pizza for all of the first responders!”

Here’s how it works:

Here are a few simple guidelines for submitting:

1. Capture acts of kindness happening in your community via video or photo for social media.
2. Write your post explaining the act of kindness and tell us how it made you feel.
3. Include #GiveTogetherNowDallas, and mention Stand Together Foundation in your post.
4. Double check to make sure that the privacy settings on your post are set to public.
5. Let’s keep the acts of kindness going! You can post a new act of kindness every day.
